CATHOLIC CATECHISM INDEX

THE FUTURE OF CATECHESIS

When 70% of American Catholics no longer believe critical doctrines like the True Presence of Christ in the Blessed Sacrament, something needs to change. *And you can help!*

Our Goal

_____ has set a goal to raise \$ _____ toward the publication of the *Tradivox Catholic Catechism Index*. Please support this important effort to restore traditional catechesis for generations to come.

RESTORE THE FAITH

"What does the Church *really* teach?" Many are seeking a clear and accessible guide to the Catholic Faith - both to learn it themselves, and to hand it on to others. Over the centuries, few tools have served this need better than the **Catholic catechism**. But among the hundreds of official catechisms issued by bishops in so many nations throughout the last millennium, the question becomes: which one should we use?

RECLAIMING OUR HERITAGE

After hundreds of hours of international archival research, for the first time in history the *Tradivox Catholic Catechism Index* is restoring and republishing dozens of long-forgotten official catechisms spanning from the 1200s to the 1900s; freshly reformatted as a multi-volume series to show the beautiful continuity of Church teaching across time and space.

But this is just the beginning. Imagine a *digital search engine* able to give instant answers on Catholic doctrine, in the clear and concise format of a traditional catechism. *Imagine if Google were Catholic.*

This is the future of catechesis. This is the tool for accessing consistent and reliably Catholic teaching from the authentic magisterium of faithful bishops spanning hundreds of years and thousands of miles.
